An exciting and interesting as well as profitable feature of the fair was the contest for a silver fireman's trumpet between Active Hose Company No. 2, of Bloomfield, and Prospect Hose Company of East Orange. The former won by a vote of 1558 to 1365. Each vote represented ten cents. The contest was an interesting one will long be remembered.

-The Ladies' Aid Society of Silver Lake, held a fair on Monday and Tuesday evenings. Financially it was a decided success. One of the attractions was a quilt to be voted for, for which there were four competitors. It was decided in favor of Miss Gussie Smith, the able and faithful teacher of the Infant Class. ### PURE JERSEY or ALDERNEY MILK GLASS BOTTLES!

PURE JERSEY or ALDERNEY MILK in QUART GLASS BOTTLES will be delivered by me, and the patronage of the public is solicited. The Milk offered is warranted perfectly pure, and is from imported Jersey Cattle. The Cattle are fed on the BEST of hav and feed, no feed being allowed them that would impair the healthfulness of the Milk. the stables and cattle are kept in the most perfect manner as to Cleanliness and Vertilation-a most important factor if health milk is desired. As a table article

and beverage it recommends itself, showing a larger percentage of cream than any other Milk sold. For invalids and children it is recommended by all physicians. MILK IN GLASS HAS THE FOLLOWING ADVANTAGES: 1st. It is more cleanly not being exposed to odors and contamination, to blowing dust and dirt, to the rain, to the drip and dirt from the reins or hands of the driver.

2d. Its quality may be seen at a glance by the cream at the top, and the color of 3d. It will keep sweet longer, because in delivering there is no churning (each bottle being filled to the stopper,) and the bottles are kept iced in warm weather until

Parties wishing to be served can call at farm in Bloomfield, or send postil to JOHN F. MAXFIELD, Bloomfield, N. J.

4th. Its flavor is better, because the air has no chance to act upon its and because it is absolutely free from the metallic flavor often noticed in milk transported
